Resume of Rick Ligas

Representative works

The chronologically listed works below are representative of my work.
These are representative works - not all works are listed.

I have used the following format to describe each project:

_____ **year of the project**

the organization	_____ the individual, company, city, or government I worked for
the project	general description of the project and its formal name
the work	what I did for the project

When possible I have provided a web link or a note that the project is available for viewing in my portfolio.
